

Announcing a new insurance benefit from **Association Insurance Australia**

Association Insurance Australia

The Institute of Management Consultants (IMC) welcomes a new partnership with **(Association Insurance Australia AIA)** – an insurance advisory firm that has over 40 years' insurance and risk management experience. AIA have a comprehensive understanding of the management consultancy profession and can assist members with effective insurance solutions & risk management advice needed to protect their business.

Protection for your livelihood and reputation

AIA understands how a claim can take you by surprise and may cause a major disruption to a business. If something goes wrong, you can be assured that AIA will work to minimise any disruption to your business or reputation.

Highlights include

- ✓ Professional Indemnity and Liability Exclusive Offer: 15 months cover for the price of 12 months* (Bonus 3 free months cover)
- ✓ Tailored insurance coverage and advice specific to meet the needs of Management Consultants and IMC Members
- ✓ Combined Professional Indemnity and Public Liability policy (1 Policy, not 2)
- ✓ Unlimited Retroactive Cover
- ✓ Lower standard excess(es)
- ✓ Highly competitive premiums which can be paid by the month
- ✓ Cover provided by a global leading and independent insurer

Be comforted by our Insurance partner

AIG is the world's leading insurance organisation with more than 90 million customers, 65,000 employees in 100 countries. AIG have offices in Melbourne, Sydney, Perth & Brisbane

Protecting your profession and supporting the Institute of Management Consultants

AIA will support the IMC through the payment of referral fees. This financial support will assist the IMC to improve valuable services that are provided to members.

This new insurance announcement between AIA and the IMC will be built on trust, transparency and will support the insurance needs of our Members.
